Building Plan Review & Building Permit Application

Instructions: Please fill in all information and return this application to the Sunrise Beach Fire Protection District Fire Prevention Bureau along with a check for the total amount of the permit fee based on the estimated building cost. Two (2) sets of plans are to be submitted with this application. One set will be returned marked approved. A permit will be issued after review and approval of the building plans. If changes are necessary after approval has been made, those changes shall be submitted and re-approved prior to starting construction. All plans shall be reviewed to meet the most currently adopted code standards of the International Building Code, International Residential Code, International Fire Code, and all applicable N.F.P.A. standards.

All inspections required a 24-hour notice by calling the above number.
